

The Asthma Coalition of Idaho is getting word out throughout the State about Idaho's first Asthma Summit.

Don't miss Idaho's first Asthma Summit!

You should attend if you are a physician, health care professional, public health advocate, school administrator or nurse, tribal representative, state or local elected official, business or community leader, policy maker, child care provider, teacher, parent, guardian or other caregiver, or an individual with asthma.

Summit Goals

Join us for Idaho's first Asthma Summit to address the growing burden of asthma in the State. You will:

- * Help develop a comprehensive State Plan for asthma prevention and control.
- * Learn best practice strategies for asthma prevention and control.

Nationally Recognized Speakers

- Claude Lenfant, M.D.-Director, National Heart, Lung, Blood Institute (NHLBI)
- Kenneth Olden, PhD.-Director, National Institute of Environmental Health Sciences (NIEHS)
- Stephen Redd, M.D.-Chief, Air Pollution and Respiratory Health Branch, National Center for Environmental Health, Centers for Disease Control and Prevention (CDC)
- E. Ramona Trovato-Director, Office of Children's Health Protection, U.S. Environmental Protection Agency (EPA)
- Janice E. Nolen-Director, National Policy, American Lung Association

Educational Credits

CMEs are pending for physicians, physician assistants, and nurse practitioners. CEUs are also pending.
